JOINT CHIEF HEAD BACKS FOREIGN AID

By EDMOND LE BRETON

WASHINGTON (AP) — The chairman of the Joint Chiefs of Staff told Congress today any cut in military foreign aid would kill hopes of modernizing and improving friendly forces receiving assistance.

Gen. Nathan F. Twining urged the House Foreign Affairs Committee to approve President Eisenhower's \$3,930,000,000 foreign aid program, specifically its \$1,600,000,000 military component.

Secretary of Defense Neil H. McElroy joined in support of the proposal, saying "it would be a critical mistake to curtail the program, because of isolated instances of waste and inefficiency, representing a small percentage of the total."

Twining said any limitations or reductions in the program would virtually eliminate all modernization and force improvement needed to accomplish the military assistance program force objectives.

Rep. Wayne L. Hays (D-Ohio) said in advance of the hearing that he felt the defense chiefs should be questioned about what kind of war the United States would fight if the Berlin crisis exploded.

Hays, a committee member, said he wanted to question the military officials "to clarify President Eisenhower's apparent statement that we would not use ground troops in Europe."

Hays said this statement at an Eisenhower news conference, coupled with earlier administration statements that the United States would not fire the first intercontinental ballistic missile "might be taken as a blank check."

Two Men Killed In Duel Staged In a Bedroom

HOLLYWOOD (AP) — Two men died in a bedroom gun battle today which police said broke out after one tried to interfere in a love triangle involving the other.

Killed were Barney Silva, 35, part-owner of three Los Angeles restaurants, and Jack Sorin, 47-year-old jazz musician.

Investigators said the shootings took place in a house that was rented recently by Dorothy Chester, 38.

Mrs. Chester, identified as the central figure in the dispute, is the wife of Simon Chester, wealthy Los Angeles produce dealer.

She told police that Sorin was her cousin and had been living at the Chester home in Los Angeles for several years.

Detective Sgt. Robert Beck said Mrs. Chester had been separated from her husband for several weeks and that Sorin came to her newly rented house here late Tuesday night to urge her to return to Chester.

The detective said Sorin evidently carried two weapons—an automatic and a revolver—but gave up one of them in a scuffle with Silva.

He then produced the other and the two men duelled to the death, Beck said.

FALL POVES FATAL

SOMERSET, Pa. (AP) — A 25-foot fall from a window at her house in Windber Tuesday killed Mrs. Margaret T. Stever, 61. The Somerset County coroner's office said Mrs. Stever apparently lost her balance while cleaning windows.

Ireland's President Urges Suspicions Be Dissipated

WASHINGTON (AP) — President Sean T. O'Kelly of Ireland told a joint session of Congress today Ireland will work to dissipate unnecessary suspicions among nations of the world.

The 76-year-old Irish President is the first to make an official U.S. visit.

"One of the dangers that confront mankind is an exacerbated antagonism between the so-called colonial and anti-colonial countries," he said in his prepared address.

"As well as being a European country, Ireland is also a country with a long and a well-known history of stubborn resistance to foreign interference."

Macmillan in Ottawa Urges Western Powers To Frame a United Policy on Germany

OTTAWA (AP) — British Prime Minister Harold Macmillan, on his way to talks with President Eisenhower, today urged the Western powers to frame a united policy on Germany based on "firm principles combined with a readiness to negotiate."

Macmillan arrived by plane from London. Before leaving for Washington Thursday, he will fill in Prime Minister John Diefenbaker and other Canadian officials on his Berlin crisis, talks in Moscow with Soviet Premier Nikita Khrushchev.

Macmillan plans to see ailing U.S. Secretary of State John Foster Dulles at Walter Reed Army Hospital before he meets with Eisenhower.

Diefenbaker and other officials were on hand to greet Macmillan, who led off his remarks with a tribute to Canadian Foreign Secretary Sidney Smith, who died Tuesday.

Macmillan said it was generally accepted that East-West negotiations on Germany must take place this summer.

Speaking first in English and switching later to French, Macmillan said he went to Moscow to feel out the ground, and he believed he had attained success.

The British leader, accompanied by Foreign Minister Selwyn Lloyd, hopes to convince Eisenhower that a summit meeting with Soviet Premier Nikita Khrushchev can solve the explosive Berlin situation without shooting.

Officials in Washington expressed belief Eisenhower's speech Monday, conditionally endorsing a summit meeting, had greatly improved the atmosphere for the talks with Macmillan. The President agreed to a top level meeting in the summer if a foreign ministers' conference on Germany proposed for mid-May gives promise that the government heads can agree on anything.

Macmillan's visit to Eisenhower will climax the series of conferences he has carried on with Khrushchev, French President Charles de Gaulle and West German Chancellor Konrad Adenauer.

His aim is to work out a united strategy and proposals with which to approach the Soviets at the foreign ministers meeting.

Macmillan was reported cheered by three points brought up in Eisenhower's broadcast:

1. American readiness to take part in a summit parley if such a meeting is justified. On the basis of his findings in Moscow, Paris and Bonn, Macmillan seems pretty sure developments will justify such a conference.

2. U.S. willingness to "listen to new ideas" and "to present others."

3. U.S. resolve to distinguish between negotiations and appeasement.

Union Station at Erie Has \$110,000 Damage

ERIE, Pa. (AP) — Fire caused an estimated \$110,000 damage Tuesday night to electrical equipment on the second floor of the Union Station of the New York Central Railroad.

Firemen confined the blaze to the crystal slicing department of the Bille Electric Co., which occupies quarters above the railroad passenger station.

There were no injuries. Railroad operations were not affected. Fire Chief Peter Kuhn, who estimated the damage, said cause of the blaze was not determined. He said the Railway Express Co. office on the first floor of the block-long building sustained smoke and water damage.

Two Cheat Death In Serious Car-Truck Accident

Two Pittsburgh men narrowly escaped serious injury, possibly death, in a serious car-coal truck accident near Tidoute about 10:50 a. m. today.

Trooper Jim Bailey, who investigated, told Times-Mirror at press time that an auto driven by Richard C. Davis, 26, of Pittsburgh, was traveling north on Route 62 about 12 miles south of Warren when the car suddenly went into a skid on the icy highway.

Crossing over the center line, the auto was in the direct path of a coal truck proceeding south, driven by Marcus Wolbert, 44, of Leeper. The coal truck rammed the car, tearing the entire left side off and ripping the interior of the auto out.

Davis sustained a lacerated right eye, a cut knee and bruised left elbow. A passenger in his car, unidentified, escaped serious injury.

U.S. Works On Tentative Peace Treaty

By JOHN M. HIGHTOWER

WASHINGTON (AP) — The United States has prepared a tentative draft of a German peace treaty for possible use in a foreign ministers meeting with the Soviet Union.

By contrast with the Soviet peace treaty proposal of several weeks ago, the U.S. provisions would leave the way open for a sovereign all-German government to forge whatever links it wished with neighboring nations and other countries of the world.

The U.S. document—some officials say it is more a statement of principles than a tentative treaty draft—has been proposed to Britain, France and West Germany for discussion.

The Western European Allies were reported today to be cool to the idea of carrying forward plans for a German peace treaty at this time. They apparently feel the more urgent problems are those involved in reunifying Germany.

But U.S. officials emphasize that the Soviet government obviously intends to raise the question of a peace treaty at a foreign ministers meeting, and they want the Western powers to be ready to meet it in some way. It is felt here that when the occasion arises the Allies should be ready to tell the Soviets and the world the kind of peace which they would make with an all-German government.

Present Western planning is based on the idea that the essential first step in solving the problems of Germany is some move toward reuniting the divided country and creating an all-German government.

To this end Western policy planners now meeting in Paris are talking about proposing to the Soviets the creation of a federation to bring East and West Germany under a single political roof.

Reduction in Money Bill Made By Committee

By WILLIAM F. ARBOGAST

WASHINGTON (AP) — The House Appropriations Committee today made a nominal cut of slightly more than one per cent in the first big money bill affecting President Eisenhower's 1960 budget.

It recommended, subject to later House action, total new funds of \$4,628,097,000 to operate the Treasury and Post Office departments and the Tax Court for the fiscal year starting July 1.

This is \$80,230,000 less than the President requested but \$18,339,000 more than current year appropriations. Most of the boost was attributed to pay raises Congress voted last summer.

The Treasury's share of the total is \$779,402,000. It sought \$787,712,000. The Post Office Department was allotted \$3,847,160,000, a reduction of \$1,920,000 from its request. The Tax Court was given all the \$1,535,000 it requested.

Overall effect of the committee's action is to provide employment in the three agencies for 661,000 instead of the 667,000 requested. Current average employment is 648,000.

There was no reduction in funds requested by the Secret Service. Large allotments included 363 million dollars for the Internal Revenue Service and 250 millions for the Coast Guard.

Commission Finds Cambria County Prisoner Sane

ALTOONA, Pa. (AP) — A Cambria County man charged with murder is neither mentally ill nor mentally defective, according to a court-appointed sanity commission.

Judge John M. Klepper said Tuesday he would rule later on a claim of insanity filed by Frederick Gorb, 31, of Portage R.D. 1. Judge Klepper set arguments for March 30 on whether a special session of court will be ordered to try the case.

Gorb, along with his brother, Marine Cpl. James R. Gorb and Andrew Ligda, both also of Portage R.D. 1, are charged with murder in the fatal beating of James Lau, a night club entertainer from York, Pa.

The trial was scheduled to start Monday, but was delayed by the sanity examination. The next term of quarter sessions court is not scheduled until June.

Low Unemployment Fund Worries Senate

HARRISBURG (AP) — Gov.

Lawrence was under notice from the Senate today that it wants a special committee named to study problems created by Pennsylvania's dwindling Unemployment Compensation Fund.

A Senate-adopted resolution made it plain that the jobless benefits situation is no minor matter. "The rapid depletion of the Unemployment Compensation Fund is equally as important as the tax problem which we presently face," it said.

Popular High School Senior Is Community Ambassador

Gail Ann Wyman, senior at Warren High School, was chosen Community Youth Ambassador last evening by a committee representative of many local groups.

The 17-year old girl, daughter of Mr. and Mrs. Henry G. Wyman, 4 Myrtle street, selected Austria as her first choice of country to be visited and states "I was interested in Austria in that most people don't travel there and felt that more people might want to become better acquainted with all it contains."

Selected from a group of four candidates in the Jaycee sponsored Community Youth Ambassador program, Miss Wyman is already familiar to area residents through varied activities in church, school and community.

IKE SIGNS BILL MAKING HAWAII THE 50th STATE

WASHINGTON (AP) — President Eisenhower today signed the bill to make Hawaii the 50th state.

With the bill's signing, Hawaii could, by taking fast action, get officially into the Union by next July. This would be in time to send members to the present session of Congress. October is more likely, however. It took six months to add Alaska's 49th star to the flag.

Territorial Gov. William Quinn has 30 days after formal notification of the President's approval in which to issue a proclamation of elections.

A primary must be held no less than 60 nor more than 90 days after the proclamation. General election must come no later than 40 days after the primary.

Eisenhower's proclamation making Hawaii the 50th state will come after the election results are officially certified. There is no fixed time limit on the presidential action.

Final congressional action on the admission of Hawaii came March 12 in a 323-89 House vote. The Senate voted 76-15 a day earlier.

Eisenhower got the bill March 13 but used only four days of the 10 days he had for signing or vetoing, Sunday's don't count.

In addition to electing a governor and lieutenant governor, state legislators, two U.S. senators and one House member in Congress, Hawaii must vote on three propositions:

1. Shall Hawaii immediately be admitted into the Union as a state?

2. Does Hawaii consent to the exclusion of Palmyra Island from the boundary of the new state?

3. Does Hawaii accept statehood under all other conditions specified in the statehood bill, including land grants and reservations and one House member (Turn to Page Sixteen)

Something New In Satellites Is in the Making

WASHINGTON (AP) — The United States is planning something new in satellites—a three-in-one job. It will be part of the Vanguard series and will include a balloon to study friction in space.

Dr. John P. Hagen announced plans for it Tuesday and said it will be launched soon from Cape Canaveral, Fla.

In effect, Hagen said, the new Vanguard will provide three separate satellites:

1. The empty case of the launching vehicle's third-stage rocket, a metal tube weighing about 52 pounds.

2. A 13-inch plastic sphere with an arm extending about two feet. There will be a magnetometer at the end of the arm to measure the earth's magnetic fields. This satellite will weigh about 22 pounds.

3. A 30-inch expandable balloon weighing 1½ to 2 pounds.

Before launching, the balloon will be folded into a small tray at the base of the plastic sphere. When the nose of the launching vehicle separates from the final stage rocket, a gas cartridge will inflate the balloon—if all goes as planned.

The balloon, because of its larger area and lighter weight, will slow down more rapidly than the two companion satellites and thus provide a more precise measurement of drag and friction in

DEMOCRATIC RESISTANCE CONTINUES IN SPITE OF APPEALS FROM GOVERNOR

BULLETIN

HARRISBURG (AP) — Pennsylvania's state police commissioner—in office less than a month—today said that practices of the previous department administration "brought morals down to an all-time low." Commissioner Frank G. McCartney, who served 19 years on the force as a non-commissioned officer before being named head of the department, said that under the salary increasing practices of his predecessors the commissioned officers received high pay increases and the enlisted men in the field "got peanuts or nothing." Under the previous systems of salary increases, McCartney said: "Commission personnel received very high increases but the troopers and non-commissioned officers—the men in the field doing the work—were given a bad time in the reclassifications."

HARRISBURG (AP) — It was a tossup today whether the Lawrence administration can drive enough House Democrats into line to pass a 264 million dollar sales tax boost without Republican help.

The first showdown is planned for a special midnight session tonight.

A hard core of Democratic resistance seemed to be in evidence as the governor continued the task of calling the holdouts into his office individually to seek their support.

He told his news conference that he had some success with a half dozen who visited him Tuesday.

"I didn't get tough," he said. "I tried to reason with them on the problem that faces us."

The number of rebels was estimated as high as 24 on Monday but Rep. Stephen McCann, Democratic floor leader, said the list has been whittled down to less than 10.

Democrats control the House by 107 to 102. But, since it takes 106 votes to pass a tax bill, it would take only two Democratic holdouts to defeat the bill if Republicans adhere to a policy of giving no help at all.

Neither Lawrence, nor McCann would make a prediction on Democratic chances of passing the sales tax measure which calls for boosting the rate from 3 to 3½ per cent.

The sales levy also would be extended to such items as automobile trade-ins and beer and liquor, two areas on which Democratic opposition has been focused.

Rep. W. Stuart Helm (R-Armstrong), House GOP Policy Committee chairman, said he saw no chance of the bill's passage on the first roll call tonight.

He was noncommittal on whether Republicans would offer support in a subsequent roll call. But other GOP members, who asked not to be identified, conceded there was a good possibility this may happen.

Other legislative developments:

Unemployment compensation — The Senate unanimously adopted a resolution Tuesday asking the governor to appoint a committee to study problems created by the dwindling Unemployment Compensation Fund. (Turn to Page Sixteen)

Children Used at Sex Parties in New York

NEW YORK (AP) — Five girls and five boys, all between 10 and 15, were taken into custody by police Tuesday night and accused of taking part in sex orgies in the apartment of an alleged procurer.

Detectives Edward Brady and Edward Hanford said their investigation indicated that as many as 30 children participated in the sex parties over a period of more than a year.

They said the apartment was that of George Doblin, 41, married and the father of two, who was arrested recently and accused of heading a ring of \$100-a-night call girls.

Conflict on Trimming of Fiscal Outlay

HARRISBURG (AP) — Two members of a special Senate subcommittee studying Gov. Lawrence's record \$1,907,000,000 budget were at odds today over whether the fiscal outlay can be trimmed.

Chairman George B. Stevenson (R-Clinton) and Sen. William J. Lane (D-Washington) held opposite views after the committee heard officials of three state agencies explain budget needs during hearings Tuesday.

The committee planned next to turn to appropriations requested by the state police, state department and lieutenant governor's office.

"We're definitely going to develop some substantial savings on the budget during these hearings," said Stevenson. "However, we haven't come to the point yet where we can place a percentage of reduction on the budget." (Turn to Page Sixteen)

Four Tots Die In Home Blaze Near Salamanca

SALAMANCA, N.Y. (AP) — Four children perished Tuesday night when flames ripped through their rural home as they slept.

Their mother, hands and face badly charred, saved three other children and drove them in a pickup truck to a neighbor's house for help. The survivors were rushed to a hospital in nearby Olean.

The dead were identified as Barbara Hecker, 14, her brother William, 10, and two sisters, Holly 13, and Joan 3.

Mrs. William Hecker and a daughter, Christine, 9, were reported in critical condition. The other two, Jacqueline, 12, and Loretta, 6 months, were in fair condition.

Firemen arrived to find the two-story wooden farmhouse burned to the ground.

Mrs. Hecker's husband was away at his factory job in Buffalo.

New Measure Would Boost Salaries of Co. Officials

HARRISBURG (AP) — The salaries of county officials in all except Philadelphia and Allegheny counties would be boosted under legislation in the Senate State Government Committee today.

The bipartisan package of 11 bills would raise the salaries of the sheriff, coroner, prothonotary, clerk of courts, register of wills, recorder of deeds, county treasurer, county controller, county surveyor, county commissioners and district attorney.

The proposals are aimed at bringing salaries of the officials more in line with salaries of other state and local officers, backers said.

ABC of Income Tax Report

Paying your income tax III: Check on exemptions

Editor's note — For many taxpayers, exemptions represent the leftiest savings they can make in filing their federal returns. This article, third of a series on the income tax, tells you about the various exemptions you may claim.

By JAMES MARLOW

WASHINGTON (AP) — Every exemption you can justly claim in filing your 1958 income tax return means \$800 knocked off your income before the remainder can be taxed.

You may also save money by knowing the different rules covering not only husbands and wives but certain widows and widowers

and persons who can qualify as "head of household."

Start with husbands and wives: Each person filing a return gets a \$600 exemption for himself if he is under 65, \$1,200 if he's over 65, and another \$600 if he's blind. He gets the same exemptions for his wife if she fits certain rules.

You can claim her exemptions, in addition to your own, if she had no income and you alone file a return or if she files jointly with you, whether or not she had income.

Your wife must file a return — either separately or jointly with you — if she was under 65 and had \$800 income, or \$1,200 if she was over 65.

If she files separately, she claims her own exemption on her return and you can't claim any

COLE HILL—High winds on Sunday did some damage to buildings by blowing off loose boards.

Supper guests of Mr. and Mrs. Ernest Thomas at Starbrick were Mr. and Mrs. Fred Rylander and Carol Anderson, Davy Hill; Mrs. Hattie Dailey, Mr. and Mrs. Ira Chambers, Meadville; Richard Chambers, Warren. Mrs. Dailey also visited Mrs. Thomas Chambers at Tidoute and with Richard Chambers in Warren.

Mrs. Blanche Holmes, vice president, conducted the March meeting of Garland PTA, when President Dorothy Howell was unable to be present. Rev. Howard L. Cartwright, pastor of Emmanuel Baptist church at Starbrick, was the speaker; a member of his church played an accordion solo; religious films were shown, and lunch was served.

Mr. and Mrs. Harold Martin have received a card from Mr. and Mrs. Ernest Martin and Mr. and Mrs. Ellis Martin, from West Virginia, one of their stops along the way to Florida.

Barbara Martin returned home Saturday after having been a patient in the Warren hospital.

Parents Night at YMCA Proves Enjoyable Affair

An enthusiastic group of over 50 persons attended the seventh Parent's Night party of the current series, held at the YMCA. Mrs. Paul Christie and her able committee, composed of Mrs. Norton Bowler, Mrs. H. Bancroft and Mrs. T. Lawton, provided a fine evening for all "Y" members, parents and friends.

Following the tasty tureen supper, the group played bingo. Highlight was the appearance of "Peter Cottontail", a live Easter rabbit, who was won by the person who first entirely filled his Bingo card. The delighted youngster was Bobby Bowler, son of Mr. and Mrs. Norton Bowler.

Following the game period, the group spent a happy hour in the "Y" pool. Next Parent's Night will be Saturday, May 18, when the program will be a "snorkel snack", a deep sea diving and swimming party.

TABLE TENNIS

First of a series of exchange table tennis matches was played between Warren YMCA in Jamestown on Saturday, with Warren as victors. Players from Warren included Larry Greenawalt, Carl Henninger, Jeff Branch, George Smith, Dick Drayer. The return match will be scheduled at an early date, time and place to be announced.

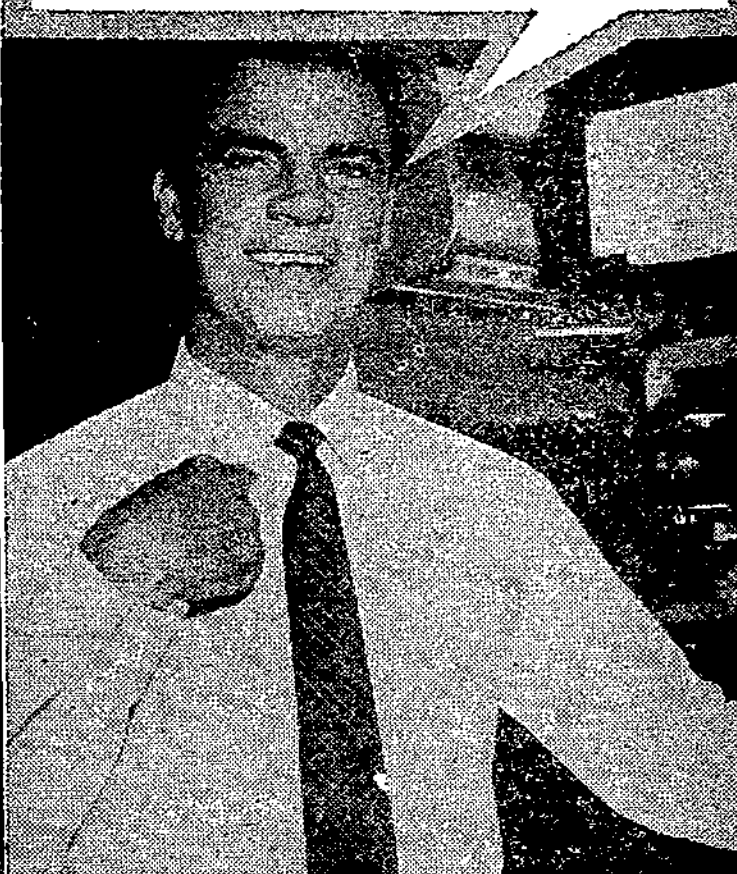

SKATING PARTY

Warren Gra-Y Council will sponsor its second roller skating party for all boys and girls of grade school age, to be held from 7:30 to 10:30 p. m. Wednesday, March 25, at the Russell Roller Rink. Tickets, which may be obtained from any Gra-Y advisor, or from Clyde Loomis, will sell at a special reduced price for this party only. Any boy or girl (and their parents) are welcome. This is the second vacation time skating party undertaken by the Gra-Y Council, and it is anticipated the event will be every bit as popular and well attended as the first party, held during the Christmas vacation period.

EASTER RETAIL TRADE OUTLOOK

"Rising prosperity, a booming stock market and a return to fashions that flatter the female form are putting new life into the nation's Easter retail trade" says an article prepared by Walter Breede, Jr., Associated Press business news writer, forecasting what may be expected during the coming weeks.

He draws his conclusions from interviews with merchants, bankers and Chamber of Commerce officials in a coast-to-coast survey. Continuing he reports:

"Business is shaping up beautifully," says an executive of a big department store on Chicago's busy State Street. "Easter sales are far ahead of last year."

People are spending with more confidence," says Richard H. Rich president of Rich's in Atlanta.

"Consumers are more confident and seem to be spending more," observes Joseph Liebman, senior vice president of L. Bamberger & Co., Newark N. J. "The stock market is healthy and that always seems to be a good indicator."

Laurence Mallinckrodt, president of the Scruggs, Vandervoort, Barney in St. Louis says: "Sales are very good compared to last year and we still have a few selling days to go."

While optimism is the keynote, you'll find dissenters here and there. A New York department store executive complains that "women don't get excited about fashions when there's a half foot of snow on the ground." Wide areas of the Northeast and upper Midwest were blanketed by a heavy snowfall late last week, and store sales took a nosedive.

Other localized deterrents to an unbounded shopping spree include: persistent pockets of unemployment in some industrial centers, scattered state and local tax increases, a printers' strike that closed daily newspapers in Columbus, Ohio, for two weeks and—in cities where winter has lingered on—the earlier Easter date.

Not all merchants regard the earlier Easter as a handicap. In some Southern and Western cities where the weather has been mild, it is considered an asset. That's the statement of merchants in Los Angeles where the mercury climbed into the high 80s while snow fell in New York. It's echoed by store officials in Miami, San Francisco, Dallas, Denver and Kansas City.

Congratulations are extended today to those ten young people admitted Tuesday to the National Honor Society at impressive ceremonies during the High School Assembly.

Gail Ann Wyman, student at Warren High, is receiving felicitations on being chosen as Warren County's 1959 Community Ambassador.

Here and There

It is a pleasure to acknowledge receipt of an autographed copy of Hildegarde Dolson's "The Great Eldorado," a breezy but factual new book about the nearly incredible days when the oil industry was born. A memorandum on the inside cover of the attractive jacket, designed by Paul Bacon, contains this information about the book describing "the gaudy and turbulent years of the first oil rush: Pennsylvania, 1859-1880."—"In telling the story of the lusty years of America's first oil rush in Pennsylvania (1859-1880), Hildegarde Dolson is going to surprise many people—including those who think oil was discovered in Texas, and those who are convinced an important piece of Americana has to be dearly informative. The Texans are just going to have to face the facts bravely; but they, in common with those skeptics who question the reality of history, are going to find that The Great Eldorado fairly bristles with the good cheer of a rousing tale well told. Miss Dolson has mined and polished to sparkling brilliance all the lively, uproarious humor, the pathos, the catastrophe, the vertigo of boom-and-crash, the buoyancy of that fabulous boom town, Pithole, whose most notorious citizens were Ben Hogan, 'the wickedest man in the world,' and the beautiful French Kate. You can almost hear the whoosh of the gushers as she tells the stories of the men who came running at the sound of riches, and the women who followed them. Skyrocket millionaires, swindlers, industrialists, artists throng these pages. There was Coal Oil Johnny, who became the playboy of the eastern world; John D. Rockefeller, who built an empire on oil; and the tragic John Wilkes Booth, whose connection with the Pennsylvania oil rush is a dramatic and surprising one. A notable story-teller, Hildegarde Dolson is also endowed with an inalienable respect for facts. Moreover, she is a native of the Pennsylvania oil country, and grew up with a healthy respect for, and curiosity about its proud

According to genial Al Platt, manager of the Warren outlet the A&P Food Stores, founded in 1859, challenging 100 years of experience in distributing food in America, is taking advantage of the occasion to offer counsel to food-shoppers on the eve of the Easter season. Platt says A&P is planning some interesting surprises not only for patrons but the community in general in observance of the anniversary.

As a contribution to the observance of National Wildlife Week, March 15-21, is observed by many groups and organizations throughout the country. The theme selected by the National Wildlife Federation and its state affiliates is "Conservation in the Schools" as part of their conservation education program. People's concern for the lands upon which we live must be instilled in our younger through the teaching of conservation in our schools. Conservation is a way of living. It calls upon us to care for the resources we require in order to live. It is also a way of thinking, its basic concepts must be imbedded in our children as they learn about living. By learning about our resources and the care we must give them, our young people will see that a good share of the world's troubles stem directly from our past failures to learn to live with the land, in-

stead of against it. Is conservation being taught in our schools? It should be, in the grade and high schools. It can be treated as a part of almost any grade or high school subject. Education and publicity campaigns should be started to show people the need for teaching conservation. Demonstrations should be arranged to point out and correct local abuses of land. Soil erosion, water pollution, depletion of wildlife habitat and destruction of outdoor recreation areas are all of vital importance. Soil Conservation Service, Forest Service, Fish and Wildlife Service and similar State agencies should set up conservation education committees, in cooperation with interested private citizens. State superintendents, boards of education and local teachers and school administrators can ask for assistance from any of these organizations in instigating programs. It is vital to the future of our country that the need for a program of this type be recognized and steps taken at once to ensure its success."

GIRL SCOUTS

You Can Count on Her

Business Mirror

By SAM DAWSON
AP Business News Analyst
NEW YORK (AP) — March is writing the last of the recession off many official statistics — such as industrial output—and pointing toward new records.

It undoubtedly is setting new highs in others such as personal income totals.
With each day comes more hope that soon there will be easing in the total of the jobless. Outdoor jobs will be opening up.
That March is wiping out the recession's last mark in total industrial output can be assumed from these things:

1. In February the Federal Reserve Board's index was up to 144 per cent of the 1947-49 average, only one point under the pre-recession figure of August, 1957, and two points below the record high set just two years before.
2. This month increased activity along many lines all but assures a further advance. Steel mills are setting new tonnage records week by week. Demand for copper exceeds the supply. Aluminum companies report an encouraging jump in demand in recent weeks. Rubber consumption by factories is in a sharp rise. Some railroads

are reporting increased freight traffic.

3. Spurred by fears of summer strikes, company after company is laying in inventories. The only way the Federal Reserve industrial output index can go in March is up.

That the total of personal income will set a new record this month seems just as sure.

The Commerce Department reports that in February the annual rate hit a peak of 364½ billion dollars. This topped the year ago figure by 17 billion dollars. At that time it was the low for the recession.

Part of the rise in incomes will be siphoned away by rising taxes at many local and state levels. While it is hoped that retail prices will stay fairly steady, the slow but sure rise in the cost of services is set to continue. That will whittle away some more of the income gain.

Also it can't be ignored that much of the industrial activity is more in fear than in hope. Major strikes could bring on shortages and later on higher material costs. That's why businessmen are building up stocks. When they're built high enough, orders may dwindle.

DON'T BECOME A CRANKY OLDSTER

An older person must contribute in some way if he wants to be respected and loved by friends and younger members of the family. Companionship is a mutual affair and the older must earn it by showing the same affection for and consideration of others that he expects to get from them.

Growing old no longer is an achievement that demands special attention. Millions have reached three score and 10 and the sooner the man or woman in this age bracket finds his place in society, the happier he will be.

The older who is in reasonably good health should stop talking about the miseries of old age, how no one loves him, and how much time he has on his hands. The easiest way to lose respect and affection is to become garrulous, obstinate, grouchy, or quarrelsome. It does not pay to try to dominate grown children or grand-children. They are entitled to lead their own lives.

Loneliness and idleness lead to deterioration. These states are unnecessary, as some type of companionship or recreation usually is available. Most communities have places to dance, group singing, movies, and discussion and study groups. There are hobbies galore that can be done in the home, varying from sewing to painting.

It is important to remain useful, active, and alert. This is easier for those who still have a job and are in good health. serve the community and be ready to help a friend or neighbor in need. Be flexible and adapt to new conditions and circumstances. Age is no excuse for failure to improve the mind and body.

Elderly men and women who are ill or suffering from painful disabilities will find this advice impractical; those who are unprepared for senior citizenship will find it distasteful. These people never learned to relax during middle and never acquired a hobby. Some continue to abuse their bodies through excesses. The future belongs to

those who plan for it.

TOURIST DISEASE
R. J. writes: Every time we go to Mexico we get "tourista" despite all the preventive medicine our doctor gives us. Someone said eating ginger candy will ward off the bugs. Do you think this will do any good?

REPLY
No. An amebicide plus a sulfa product or an antibiotic does a much better job. But there is a limit to the value of medicine. The traveler must cooperate by avoiding overfatigue, not eating uncooked foods, and drinking beverages that are bottled or canned. Ice made from ordinary water may contain the bacteria responsible for gastrointestinal infections.

VITAMIN INJECTIONS
R. P. writes: For what conditions is vitamin B given by injections?

REPLY
There is no need to give medicines, including vitamin B, hypodermically when they can be administered by mouth. Exceptions are when large doses are needed, quick action is wanted, or a gastrointestinal disorder is present that prevents absorption of an oral product. Vitamin B is used in correcting dietary deficiency disorders in certain neurological conditions, and as a tonic.

NO AGE IS EXEMPT
J. G. writes: Is heart disease among women in their thirties almost unheard of?

REPLY
This statement is inaccurate. There are many types of heart disorders. In this age group, rheumatic heart disease is number one on the list.

FLUSHED BY FLUIDS
G. L. W. writes: Will drinking plenty of grape juice flush the kidneys?

REPLY
Plenty of any fluid, including water, will give the kidneys a workout.

Just How Much of Disaster Preparation Is Wasteful?

BY PETER EDSON
NEA Washington Correspondent

WASHINGTON (NEA)—The one man who believes most in preparing American civilians for a missile and nuclear bomb attack is the administrator of the U.S. civil defense program. He is the former Republican governor of Iowa, Leo A. Hoegh. His title now is Director of the Office of Civil Defense and Mobilization—OCDM. He has been on the job a little over a year and a half. It isn't anywhere near done.

However, "Few people realize the tremendous capabilities we now have," says the blond, crew-cut, young official.

"There are 106 of our 176 million people who live in cities of 50,000 or less. They could all be saved in a bomb attack if they'd just take improvised shelter."

THIS, INSISTS HOEGH, could involve such a simple act as going to the basement or for apartment dwellers, going to the interior of the building, away from exterior windows.

The principal idea is to put as much mass, as much weight as possible between them and the place where the bomb hits. It will provide protection from radiation five miles or more from this ground zero.

"We have been urging people for years to provide themselves with shelter, to stock it with two weeks' food and water, blankets, a first-aid kit and a flashlight," says the governor. But he admits few have taken the advice.

SOME CITIES LIKE Milwaukee, Portland, Ore., and Miami, Fla., have good plans. The U.S. government and many big industries have good evacuation and relocation plans. But over the whole U.S., preparedness is still spotty.

Governor Hoegh himself practices what he preaches. In his home in suburban Kenwood, Md., he has built and stocked a cellar shelter. It cost him \$245.

"It will protect my family and me by a ratio of 1,000," he says. "If 10,000 Roentgens of radiation result from a nuclear bomb hit near Washington, anyone in my shelter will get only 10 Roentgens, which is harmless."

The governor believes that if more people had this shelter, it would be a deterrent to war. "If an enemy knows we have a capability for recovery, he won't attack."

OCDM officials are on duty 24 hours every day at NORAD—North American Air Defense Command headquarters. They can flash warnings to 276 principal target areas.

STATE AND LOCAL governments take it from there. Mayors and county officials have to decide whether to tell their people to take cover or to evacuate—if there's time.

Over the years, OCDM has built up a 200-million-dollar stockpile of medical supplies. It has 1,932 hospitals of 200 beds or more picked out for emergency relief centers.

Forty-five million cards have been distributed for people to carry, telling them what to do in case an alarm is sounded. Last year Boy Scouts distributed 45 million copies of a 24-page "Handbook for Emergencies"—storm, fire, flood as well as atomic. This action was criticized as a waste.

But the recommendation was that householders put this booklet in the family Bible. The Bible could come in handy, too.

WORLD TODAY

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP) — One of the best kept secrets of 1959—and one of the real keys to the Berlin crisis—is the answer to a question which from now on will be crucial in the news about the Soviet Union, Germany and the West.

Do the Western Allies, despite their public show of solidarity about not budging on Berlin, have anything to offer in the way of ideas that might avoid a military showdown with the Soviets?

It has just been disclosed that the United States has drawn up the outlines of a peace treaty with Germany. Apparently, it is still in very sketchy form.

President Eisenhower hinted Monday night in his nationwide broadcast that the Allies do have new ideas and expect some from the U.S.S.R. He said no more. By his silence he drew a curtain across whatever ideas he has in mind.

This was natural enough, since before the United States unveils any plan it would need approval by France, Britain and West Germany. Lack of such approval would indicate the Allies had split wide open.

Some proposals to the Soviet Union—to avoid war over Berlin and seek instead a peaceful solution—will be at the heart of the discussions here this week between Eisenhower and British Prime Minister Harold Macmillan.

From the beginning there have actually been three keys to the Berlin crisis:

1. How determined were the Soviets to back up their demand that the Allies get their troops out of

Berlin? That question still is unanswered.

2. Would the Allies yield to this Soviet demand and withdraw? They already have said they would not.

3. If the U.S.S.R. insists the Allies get out but the Allies won't budge, then the only answer is a military showdown unless the two sides negotiate a settlement. But negotiate on what? What can either side propose that the other will accept?

Nobody in the West has yet been able to say positively why Premier Nikita Khrushchev precipitated the crisis in the first place with his demands against the Allies in Berlin.

So no one has been able to say positively how far he is willing to go to back up his demands. He himself has suggested negotiations—including a summit conference—to talk things out.

Eisenhower Monday night indicated a willingness to have a summit meeting next summer, but only if developments justify it.

At this moment—when neither the West nor the Soviet Union has yet produced ideas that would seem acceptable to the other—the situation remains frozen on the Soviet demand for the Allies to vacate Berlin and their public refusal to do so.

Unless they start talking, there will have to be a showdown of some kind. Such a showdown, if it comes, will probably be months away, for it is almost certain the two sides first will do some talking.

This is where the basic question comes in again: Talk on what?

Daily Lenten Meditations

From the Upper Room

Read John 14:1-7.
When they had sung an hymn, they went out into the mount of Olives. (Matthew 26:30.)

It was part of the Hebrew observance of the Passover to sing a hymn. Jesus and His disciples did so in their observance in the upper room. We wonder who of them felt like singing. Jesus had told them that He would soon be betrayed. But sing they did.

They must have sung in a joyous manner, since Jesus spoke of leaving them His peace. Indeed, He showed so little sadness in that hour that the disciples did not seem to sense that His suffering was so near.

How often we bemoan what befalls us and ask, "Why did this happen to me?" No one expects us to rejoice because of sorrow or injustice or loss. By the grace of God we can be victorious not because of hardship but in spite of it. Paul instructs us to rejoice while enduring all things.

PRAYER

Holy Father, we would grow more like Thy Son. Facing death on the cross, He could yet speak calmly, and even joyfully, to His bewildered disciples. Help us to overlook our own smaller burdens by thinking of others. Help us to learn from those who have courageously faced pain and grief. In the name of Jesus, who was both lion and lamb in spirit. Amen.

Woman's Club Art Show Sponsors Announces Rules for May Exhibit

Preliminary meetings have been held during the past few weeks to start preparations for the 12th annual Talent Recognition Art Show scheduled at the Woman's Club Auditorium May 18-19-20.

Mrs. A. J. O'Connor and Mrs. J. H. Frantz, as co-chairmen, have both had experience on past show committees, and are well qualified to set up this year's event.

Chairmen have been named to the various committees working toward the Art Show and will be featured in later articles as their work progresses.

Rules of the show are of first concern, and are now released to the public through news media and will soon be in the mail to last year's exhibitors.

Perhaps the greatest change is the addition of sculpture as a separate artistic medium. In previous years, sculpture has been included in the ceramics class. However, this year, sculpture has been accorded a class alone and ceramics dropped entirely. Because of the addition of sculpture as a separate class, exhibitors will be allowed three entries in the show. No more than one entry however may be in the same class. The rules follow:

1. Eligibility. Amateurs only are eligible. (Any one who earns his livelihood with his art work is considered a professional.) Any one over 18 years of age, living or working in Warren County, is eligible. All work must be original. No copies may be submitted. If photographs have been used to work from, they also must be the work of the exhibitor.

2. Media. Prizes will be awarded in each of three classes. (A) Oil, (B) Water color (including also tempera, casein,

pastel, graphics, drawings and prints; (C) Sculpture.

3. Size. There is no size limitation this year as the committee feels that size should be relative to subject, and the resultant variety will make for a more interesting show. All pictures are to be framed or mounted on cardboard suitable for hanging.

4. Receiving Day. Entries will be received on one day only, Thursday May 14 at the Woman's Club Auditorium, 210 Market street, between the hours of 9 a. m. and 9 p. m.

5. Awards. All entries are eligible for awards by the Judges within the various classes, and for the Popular Prize, voted by the visitors.

6. Liability. All entries are submitted at the risk of the exhibitors. However, the Woman's Club will exercise every care to protect each entry. Each entry must be called for at the close of the exhibition at the Woman's Club. The prize winners will be hung at the Wetmore Gallery in exhibit at the Library, and should be claimed there the following week.

Attention is called to the fact that the work of grade and high school students has not been accepted for a number of years due to the lack of space, and because many educators in the public schools feel that competition is in violation of the principle that progress is more important than product for this age group.

Rules and entry blanks will soon be in the mail to those who have exhibited in the past. Anyone who would like to enter for the first time this year, may secure entry blanks and rules from the Chairman of Entries, Talent Recognition Art Show, in care of the Woman's Club, 210 Market street.

Warren County WCTU Institute Session Report

Warren County WCTU held its Spring Institute in First Methodist church, Warren, with registrations at 9:30 a. m. to open the morning session. Mrs. William Muir conducted devotions on the theme "Forgiveness and Spiritual Life," followed by group prayers.

Mrs. Carl Lindquist sang "O What a Day Clouds Passed Away," accompanied by Mrs. Ethel Harriger; Flag Salutes were led by Miss Clara Wickstrom; a talk on the armed services was given by Mrs. Ruth Randall, of Akeley; a talk on international relations for peace, "United to End War," Mrs. Carrie Meredith; at talk on flower mission and gift giving to the hospitals, Mrs. William Duff; parliamentary law as applied to the LTL skills, charts and state convention, Miss Edith Langdale.

Chapter eight of the study book was reviewed by Miss Lulu Boyd. Noonday prayer by Mrs. Esther Swanson prefaced an excellent tureen dinner enjoyed by the group.

The 1:15 p. m. session was opened by group singing of "Sweet the Moments," followed by prayer by Dr. A. Culmer Schultz, of First Methodist church.

Legislative matters and the Pennsylvania issues were discussed by Robert Young. Mrs. Lindquist sang "The Hill Called Calvary," accompanied by Mrs. Harriger. An offering for the WCTU project was received. Programs referring to radio and TV were discussed by Mrs. George Johnson, who also showed films to the group, with the aid of Mrs. John Mallery.

A White Ribbon Recruit Service was conducted by Miss Wickstrom, who presented Mrs. Edward Stites, Jr., and her three children; Mrs. Stites signed the pledge Due to inclement

Betrothals

Mr. and Mrs. John Grier Biddle, of New York City, announce the engagement of their daughter, Evelyn Biddle, to Henry Tome Funk, son of Mr. and Mrs. Henry C. Funk, of West Chester and Corydon. Miss Biddle is a graduate of Newton High School in New York and of Methodist Hospital School of Nursing. Mr. Funk, graduate of Chester High School and Brown Preparatory School in Philadelphia, is employed by Sinclair Refining Company. The wedding will take place in New York in the spring.

CLARENDON AUXILIARY

All members of Marshall Larsen Auxiliary are asked to be on hand at 8:00 p. m. Thursday in the Clarendon VFW Post Home, when the unit will nominate and elect officers for the coming year. The group will also complete plans for a bake sale on Saturday.

SCOTT WALTERS IS BIRTHDAY GUEST

Master Scott Walters, small son of Dr. and Mrs. William Walters of Liberty street, observed his fourth birthday anniversary March 13 by entertaining the following little guests at his home: Eleanor Clinger, Elizabeth Davis, John Scott Calderwood, Allan Thrance and Ricky Meacham.

weather, families from North Warren and Scandia were unable to be present to become recruits.

The meeting was concluded with songs and benediction by the Loyal Temperance Union, in charge of Mrs. Mallery.

Other county officers present were Mrs. Ellen Lundgren and Mrs. Rose Bradley, from Akeley Union, and Mrs. Sarah Wood was a visitor from Cayuga county, New York.

Art Department Concludes Year

Final program of the year for the Art Department of the Woman's Club was conducted by Mrs. C. J. Cray Monday afternoon.

The Spring Food Fair was brought to the attention of members, and announcement made that expenses of the Art Talent Recognition Show are to be defrayed by the Fair; therefore, everyone is urged to participate fully. It is to be held in the auditorium from 12:00 to 4:00 p. m. Thursday.

The following slate of officers for the Art Department for the coming year was voted on and approved: Chairman, Mrs. C. J. Cray; vice chairman, Mrs. Donald H. Spencer; secretary, Mrs. Harry J. Shneck.

The talented Mrs. Wallace H. Cowden held the interest of the group as she presented "Bad Boy of Modern Art"—the life of Picasso. They were particularly fortunate to have a Picasso-inspired oil by Mrs. LeRoy Schneck, and there were also books and several prints on display.

Miss Dorothy B. Newell was hostess, with Mrs. Paul E. Harrington and Mrs. George W. Walker pouring.

HOME LEAGUE SUPPER

Members of Home League of the Salvation Army will hold a nickel supper at 6:30 p. m. Thursday on the second floor of the building. Proceeds will be used for missionary work, and all members are asked to bring a tureen. The public is cordially invited.

PTA COUNCIL

Community PTA Council will meet at Jefferson School at 7:30 p. m. Thursday, with delegates from the various units requested to be present.

WSCS at Akeley Holds Meeting

The March meeting of Akeley Methodist WSCS was held at the home of Mrs. Hayden Pickup, with Mrs. Jeral Angove, co-hostess. President Ida Grace Larson was in charge, and gave the call to worship and invocation on the subject "One in Christ." Mrs. Arthur Bradley gave the prayer, and for devotions the president read "A New Kind of Sharing." Thirteen members and one visitor were in attendance.

During the routine business session, Mrs. Bradley reported on the World Day of Prayer service, held in the Russell church recently, with the Akeley society among guests. Mrs. Harold Arthur read an interesting letter from Ethel Young, of Russell, an Adventist missionary teacher in Singapore.

Mrs. Victor Granquist, Mrs. Leland Haller and Mrs. Pickup were appointed nominating committee for officers for the new year, beginning in June. Officers will be elected at 8:00 p. m. April 9 at the meeting. Hostesses will be Mrs. Granquist and Mrs. Josephine Larson. "F" is the letter for memory verses; mite boxes are to be turned in at this time.

The Easter Sunrise Service will be held at 6:30 a. m. in Akeley church, conducted by the pastor, Rev. Clifford L. Head.

land, with Russell church as guests, to be followed by breakfast. Committee for the breakfast will be Mrs. Jeral Angove, kitchen; Mrs. Carl Tonkin, dining room.

The meeting closed with prayer by Mrs. Algot Lundgren. Refreshments were served by the hostesses.

Mrs. Harold Arthur and Mrs. Ora Miller are keeping the church clean for the month of March. April committee will be the Harold McElhatten's and Mrs. Carrie Barber.

I-T CLASS MEETING

The March meeting of I-T Class was held in the social room of Epworth Methodist church, with a 6:30 dinner, at tables decorated with shamrocks. Devotions were conducted by Laura Johnson, opening with the hymn "The Beautiful Garden of Prayer," followed by Scripture and a poem, "If Others." Prayer was given by Ellen Anderson.

President Camilla Thompson conducted a routine business session, with members reminded to send a card to Iva Belle Richael, confined to Warren General Hospital. During the social hour, members worked on bed socks. April hostesses will be Ellen Anderson and Eva Heald.

Youngsville High Truth Seekers Class Representatives Going to Gannon

YOUNGVILLE — In attendance at the sixth Model United Nations General Assembly, to be held Saturday at Gannon College in Erie, will be eight working delegates and several visiting delegates from the sophomore, junior and senior classes of Youngsville High School.

Working delegates are: Seniors, Shirley Fisher, chairman, Mary Lou Irvine, Rhoda Chamberlain, Sally Jordan, Juniors, Gary Borton, Manfred Rydholm, Nancy Kellogg, Judith Roberts. Faculty advisor is Orval B. Borton.

Youngsville will represent the country of Netherlands. They have prepared three resolutions, and are in high hopes of having at least one of them placed on the agenda for the General Assembly discussion in the afternoon.

There are over 60 schools participating, ranging as far south as Pittsburgh, north as far as Niagara Falls, and west as far as Ashtabula. The Assembly meets for the entire day and is conducted, without exception, by the student body.

The educational and informational value of this program is tremendous, since a definite working United Nations is the world's only salvation for a world peace.

NORTH WARREN CLUB

Members of North Warren Girl Scout Neighborhood Club will meet Thursday at the Presbyterian church, with all leaders, assistant leaders and troop committee members urged to attend.

STARBRICK MEETING

There was a good turnout last evening for the meeting of Starbrick Firemen's Auxiliary, held in the fire hall. The membership drive was reported a success, and members voted a gift to the Youth Ambassador Fund. Games and a social time followed, with refreshments served by Mrs. Adah Sidon and Mrs. Ben Malec.

Warren High Honor Society Welcomes New Group

The National Honor Society roster at Warren High School was enlarged Tuesday by a new group of 10 members pictured in a McGarry Photo above. Front row, from the left are Kathy Kehrl, Susan Johnson, Gudrun Ensslin, Lois Henry and Susan Yeagle. Back row, same order, Dave Trauffer, Jim Watt, Gene Erickson, Jim Miller and Steve Pearson.

The annual National Honor Society installation service took place at Warren High School Tuesday under the direction of Miss Jean Steele, faculty advisor, when 10 new members were added to the organization. Members of the Society are selected on the basis of Character, Scholarship, Leadership, and Service. Devotions were presented by LeRoy Peck, vice principal, after which David Spencer gave the address of welcome. The history of the Society was explained by Gail Wyman, after which the meaning of NHS emblem was explained by Mark Peterson.

The four cardinal virtues of the Society were represented by members of the organization: Character was explained by Marilyn Folletts; Scholarship by Marian Feed; Leadership by Graig Johnson; and Service by John Carter.

Introduced into the organization as the new members were: Gudrun Ensslin, Eugene Erickson, Lois Henry, Susan Johnson, Kathleen Kehrl, James Miller, Stephen Pearson, Dave Trauffer, James Watt, and Susan Yeagle.

Diamond Grange Looks To Future Group Activities

Despite hazardous driving conditions, there was a good attendance at the regular meeting of Diamond Grange at Tiona Tuesday evening.

Mrs. Mabel Rapp, home economics chairman, reminded members the deadline for entries in the Grange Sewing Contest is March 31st and urged participation by the members, as well as sponsorship of non-members in this worthwhile undertaking. Anyone interested may call Mrs. Rapp at 1556-R for details.

Mrs. Beatrice Church, card party chairman, reported on the very successful party held at the hall last Saturday evening, when Mrs. Anne Johnson and Mrs. Signe Peterson were co-hostesses. The next card party will be held April 18th.

During the lecturer's hour, the Diamond Grange Chorus was presented, comprised of Alice Bean, Beatrice Church, Flossie Schweitzer and Myrtle Stranburg, with Fern Hamnold accompanist. In keeping with the day, they sang Where the River Shannon Flows; Ireland Must Be Heaven for My Mother Came from There; Dublin Bay; Wearin' of the Green, and Does Anybody Here Remember Casey? The musical numbers were followed by a Potato (Irish, that is) Bowling game and a friendship chain formed, with the Irish Blessing read by Mrs. Schweitzer.

The Grange Sewing Group is meeting at the home of Mrs. Mildred Peterson in Clarendon Heights for an all-day sewing bee today and this evening the Kitchen Band will entertain at the Watson home.

Important Ruling Expected Thurs. From Erie Jurist

The question of whether Judge Alexander C. Flick, Jr. will continue to hear the litigation petitioned by Warren county commissioners Blain M. Mead and Lewis Crippen against the accounts of Ralph E. Sires, incumbent Prothonotary and Clerk of Courts, will be decided tomorrow morning at 10:30 when Judge Elmer Evans of Erie county courts is expected to hand down an opinion.

The motion to have Judge Flick disqualify himself as jurist in the case was made Monday, March 9 by County Solicitor Richard Leuthold and contained reference to the fact that Judge Flick had been county solicitor during some of the years involved in the petition against the prothonotary accounts. Commissioners have requested a re-audit of books from 1948-55 inclusive and aver misuse of county funds during the period.

Judge Evans had recently advised the Warren county president judge not to disqualify himself voluntarily but to wait until proper motion had been made. Commissioners Mead and Crippen sought Evans to make the final decision. Once this opinion is handed down, the case will continue with a hearing on preliminary objections to the commissioners' petition filed by Warren M. Stone, Sire's legal representative. Objections state that the petition is insufficient in content with no legal inference of fraud.

Hi-Y Club Enjoys Tour Of Penn-Furnace Plant

Members of Warren Hi-Y club enjoyed an educational tour of Penn Furnace & Iron Monday. The tour was conducted by Howard Lauffenburger, David Levine and Harold Johnson, who gave the club a sketch of the plant's operation and then led the group on a tour of the plant. The tour was part of the club's vocational program and gave its members insight into the functions of industry, as well as prospective vocations.

Those taking part in the tour were Jeff Riedel, club advisor; Doug Arnold, Doug Baldeispberger, John Carter, Chris Creal, Dick and Bill Elmhurst, Alan Lindgren, Dennis Mong, James Marshall, Larry Moyer, Craig Palmer, Ed Ristau, Steve Rock, Mike Sterley, Dick Terry, Ted Tourtellott, and Dennis Wright.

Boyle's Column

By MAL BOYLE

NEW YORK (AP)—People tell Nan Martin, hailed by some as Broadway's actress of the year, he's lucky.

In reply Nan likes to quote a line from the play she currently is starring in: "It isn't luck when God is good to you."

Nan Martin, a vibrantly slender woman with blue-hazel eyes and hair the color of time-mellowed ivory, is no sudden Cinderella.

"Nothing wonderful ever happens to you overnight," she said soberly. "There is a long process of hard work before you take the long stride, the big step."

"I've always wondered what makes people stay in the theater. It's a cruel business. It's a brutal business. You have to work very hard to get by in it, and you have to love it very much to stay in it."

After getting off to a good start, Nan did give up the theater for a while—but now she feels she's back to stay.

Nan first tried for a footlight career here at the age of 17, shortly after graduating from a Santa Monica, Calif., high school, where she was the only girl student president in the school's history.

Although she earlier had started studying drama with Max Reinhardt at 12, she first won attention here as a fashion model, and was featured on half a dozen magazine covers.

A role in "The Constant Wife" with Katharine Cornell launched her on her way, but then she married Robert Emmett Dolan, a young producer, and she quit to become "a full-time wife." They moved to the West Coast.

"It was a wonderful life," she said. "We had a house by the ocean. I painted, and learned to cook, and had a son. I was very domestic. I even made slippers in needlepoint for everyone I loved."

"Then one day I found I had to go back to the theater. It was burning inside me. So back I came."

Starting all over, Nan took any kind of theatrical job she could find.

She caught the eye of director Elia Kazan. The phone call from him led her to stardom, as it has many others.

Federation Chief Urges Hikes for State Employees

Members of Local 469 at Warren State Hospital are interested in the tenacious stand taken by Joseph A. McDonough, president of the Pennsylvania Federation of Labor, in his correspondence addressed to the members of the General Assembly regarding underpaid State employees.

"We hear no one talking about restoring the exemptions on the manufacturers' capital stock or seeking revenues from any industrial, business or commercial source," wrote Mr. McDonough in a letter directed to all members of the General Assembly. "We hear no one in the Legislature talking about increasing salaries of underpaid State employees while they so vaingloriously rush through legislation increasing salaries for employees of the Legislative branch (not that they are not entitled to it)."

In a letter to Ray B. Anderson, president of Local 469, Mr. McDonough said:

"Now that the Legislature is considering new tax legislation every conceivable group, with an axe to grind, is pressing the Legislature to exclude their particular area. The result is that a proposal is being developed to further increase the sales tax to 4%."

"All of this, we vigorously oppose as we trust you do."

Mr. McDonough admonished Mr. Anderson to the possible need for Local 469 to keep closely in touch with Senator L. E. Chapman and Representative Allen M. Gibson.

Soap Box Derby News!

Release No. 2

Of special interest to all those boys interested in this year's Soap Box Derby is the announcement by Chairman Jack Lesser that the film "Golden Moments—All American 1958" has arrived in Warren and is available for showings to any school group or other club interested in learning more about the big event.

With plans and committees already formulated and the tri-sponsorship of Warren Times-Mirror, Dan's Chevrolet, and the Warren Jaycees already assured, boys from all over Warren County are invited to see this film which vividly depicts the Soap Box story from start to finish.

No boy who was in Akron last year for the climactic big race will ever forget the thrill of seeing and perhaps meeting Pat Boone, Guy "Wild Bill" Hickok" Madison, and Eddie Brackman. No boy will ever forget the fun of Derbytown where he stayed with boys from all over the world, champions every one, and all bent on having a good time. No boy will ever forget the look on the face of Jim Miley, last year's winner, as he stepped forward to receive the big cup and the \$5,000 Scholarship that goes with it.

All these moments are in the film. A crowd of over 75,000 witnessed the great event at Derby Downs, and more than 2,500 marchers participated in the big parade on the day of the Derby. These two are important parts of the film that tells you all about the Soap Box Derby.

Lesser reminds any interested group of boys or their parents that the local committee has the film until April 6, when it must be returned. Arrangements for showing the film may be made by calling Harry Spackman at 197-R or Jack Lesser at 2140.

JOBLESS PAY CHECKS

A memorandum from Harrisburg says State Treasurer Robert F. Kent reported the number of Unemployment Compensation checks disbursed during the week ending Friday, March 13, totaled \$23,201 with a monetary value of \$9,036,323. This compares with the previous week's \$21,739 checks for a total of \$3,998,914.

MEET FRIDAY

Friday, March 20 from 2 to 4 p. m. is set for the third meeting of Senior Citizens in Forest county at New Fire Hall, Tionesta. All men and women over sixty years old are welcome. Mrs. Walter Weaver, president, will preside. Program chairman is Mrs. Mailda Barnet and refreshment chairman is Mrs. John Kirch.

WOOL MARKETING

The important news in the wool program right now is that March 31 marks the close of the 1959 wool marketing year, says County Agent, Bernie Wingert. This means that growers who sell wool or unshorn lambs by March 31 will have until the end of April to apply for payments under the wool program. Payments will be made during the coming summer.

CHAUTAUQUA FATALITY

Jamestown Sun: Anthony Daniel Eulo, 46, of 40 Sturges St., a car salesman, became Chautauqua County's ninth traffic fatality of 1959 when he died in Jamestown General Hospital at 1:25 p. m., Tuesday, after being struck by a truck in Gerry at 10:30 a. m. that morning. Sheriff's deputies said Mr. Eulo was injured in an accident involving a tractor trailer and three automobiles. The truck, operated by Chris O. Hargraves of David Rd., Westfield, had just made a left turn, they said, when it skidded, slid sideways and struck Mr. Eulo, standing beside the car of his brother, Joseph Eulo. Mr. Eulo was slammed against the car by the impact, and thrown to the ground. Joseph Eulo, in the car, reported his back was injured, but he was not admitted to hospital for treatment. Anthony Eulo, admitted to hospital in "critical" condition, was treated for compound fractures of the skull and multiple body injuries. Coroner Samuel T. Bowers issued a certificate of accidental death.

News of Hollywood

By BOB THOMAS

AP Movie-TV Writer
HOLLYWOOD (AP)—Jill St. John's saga might be titled "How not to marry a millionaire."

Her problem is that she is going steady with Lance Reventlow, the heir to Barbara Hutton's millions. Since he has been a headline figure since birth and she is a promising young actress, their friendship has been much publicized.

"Everyone is trying to marry us off," she wails. "I'm not ready to get married. I did it once when I was 16, and it was a terrible mistake. I married a man of 24 whom I had met on a blind date. I had known him only two months. 'I've known Lance three years. I think I might like to know him another three years before I decide about marrying him.'"

Lance's feelings on this score? She said he has never mentioned marriage.

There's another problem with Jill. Reventlow's hobby, business and whole life revolves around racing cars.

"Racing is a fine sport—for other people's boy friends," she commented.

Jill has watched Lance race, has even taken spins around the track with him—"the fastest I've gone is 180 m.p.h." But she has given up following the speedsters after seeing a close friend take a spill in the Grand Prix at Pomona a week ago.

Another problem is not so serious, but just as vexing: How do you buy a gift for the young man who has everything?

Their dates are simple enough. Both like to eat, so they often dine out or cook their own dinners. They often go to the movies or small parties at friends' houses.

The wealth seems to make little impression on Jill. She was reared in comfortable surroundings and is already a money-maker herself.

FIREMEN'S AUXILIARY
Warren County Firemen's Auxiliary will meet in Lander at 8:00 p. m. April 2. All members are asked to contact local secretaries and make reservations early.

Jamestown Man Seeks Damages From Pittsfield

Jamestown Post-Journal: A \$10,000 lawsuit against the Township of Pittsfield, Pa., charging defamation of character, has been brought by Robert Lynn of 35 Stewart Avenue.

Represented by Attorney William Blood, Mr. Lynn will bring his case before federal court in Erie, Pa., this summer. The attorney said it stems from what he called a false arrest in June, 1956.

Mr. Blood said the township of Pittsfield, west of Warren, attempted to make a park of property owned by Mr. Lynn. When Mr. Lynn destroyed park benches set up there, he said, Town constables arrested him for destruction of public property.

Mr. Lynn, convicted by the justice of the peace in Pittsfield, appealed the decision to the court of sessions there last March and was acquitted. His lawsuit now rests before federal court.

RADIO and TV

By CHARLES MERCER

NEW YORK (AP)—Somewhere high in Rockefeller Center, NBC officials and lawyers and agents were discussing Nanette Fabray's career on television next season in terms of four big special shows and blank thousands of dollars and so forth.

Down the street in a restaurant Nanette Fabray had pushed aside her scrambled eggs and was showing a fellow pictures of her son, Jaime, aged 5 months.

"Now about this contract," the fellow said.

"Here's a good one," said Miss Fabray, who prefers to be known as Mrs. Ronald MacDougall. "See the way he puts his feet together and lines up his toes?"

Miss Fabray returned to New York for the first time in 16 months with her husband, writer-director Ronald MacDougall, who is here on business connected with his new movie, "The World, The Flesh and the Devil," starring Harry Belafonte. While here she was taping a Perry Como show to be seen next Saturday.

Her appearance on the Como Show will be her first on television in more than a year except for the occasion a while ago when Duhah Shore gave her a shower on her show for—yes, Jaime.

"I'll tell you why I think I'm so content," said Miss Fabray. "I've had a career before marriage and so I can't feel frustrated, as some women appear to be. By that I don't mean that my career is necessarily finished. But I'll tell you when it would be."

"If my husband ever says to me, 'Nan, come home—' well, I'd just go home. Because home is the most important thing in the world to me."

The contract now under discussion would present Miss Fabray in at least four special shows from either Hollywood or New York.

And what will she do on the Como Show? "Show him pictures of Jaime."

Present were Mrs. Catherine Carr, Mrs. Norman Abbott, Mrs. Gerald Miller, Mrs. Walter Sweeney, Mrs. Floyd Swanson, Mrs. Floyd West, Mrs. Charles Foulkrod and Mrs. Glenn Ruhlman. Time and place of the next meeting will be announced.

Mrs. Harry Sarvis entertained Saturday afternoon with a party honoring the 12th birthday anniversary of her daughter, Mavis Elaine. Guests included girl classmates in the sixth grade at Sugar Grove Union School, also a cousin, Linda Sarvis, of Lakewood. Mrs. Sarvis was assisted by her sister, Mrs. Darrel C. Johnson, of North Warren, in serving lunch at a table centered with a cake decorated in pink, with 12 candles and a shamrock motif. Prizes for games went to Eileen Young and Darlene Peterson.

There were 28 children and their mothers in attendance for the Well Baby Clinic held in the cafeteria building. State Nurse Gladys Trussler and Dr. A. A. Grant were in charge.

Mrs. Elsworth Wilson spent last Thursday in Jamestown, helping Mrs. Clyde Baker celebrate her birthday.

Several persons from town were in Warren Saturday to take examinations for postmaster at the Sugar Grove office.

Mrs. Gerald Miller entertained NE Club, with Plossie Broughton as a guest and Carriell Swanson honored with a birthday cake.

Mr. and Mrs. Marvin Thorpe returned Saturday from Philadelphia, where they had taken their six year old son, Kris, to a children's hospital for observation and tests in connection with a heart condition.

Watson: Edway Westfall (R) auditor; Warren A. Reynolds (R) Victor Kiteinger (D) supervisor; Howard E. Farmer (R) constable; Henry Hollabaugh (D) school director.

Having checked and double checked this record of positions filed (and who can question the difficulties involved as far as complete accuracy is concerned?), it is apparent to this reporter that Bear Lake has not, as yet, been accounted for. Due to several miles of notes and considerable confusion, Bear Lake candidates are listed sans party affiliation: Thomas L. Smith, Delbert Ploss, Jr., Albert F. Sechrist, council; Clinton Nichols, Ethel M. Reed, school directors; James E. Reed, justice of peace; John S. Zalik, constable; Hazel Berkey, auditor.

Any names of candidates omitted from this lengthy roundup is purely coincidental and all errors are freely admitted before expert detection.

Steffan Stars in 55-47 Warren Component Win

Warren Components are in the race in fourth annual Don Lundquist Memorial Tournament when they flipped Northern Area 55-47 Tuesday night. Northern Area was aided by Components' Arner when he dunked the ball in the wrong basket.

Mike Steffan's half court set shots were a big factor in the win for Components. Mike was high man in scoring department, sinking 26 points.

Northern Area tied it 24-all at the half, after Components held a 16-9 edge going into second quarter. Third canto iced the win for the locals.

Craker paced Northern Area's shooting with 14 points.

Tonight, Blueberry Hill and Gaughan's Drug will clash at 7:15. Sheffield going against G. G. Greene at 8:15 in Warren YMCA.

Sizing Up the Teams

One of a series on major league team prospects
NEW YORK YANKEES

By JOE REICHLER
Associated Press Sports Writer
ST. PETERSBURG, Fla. (AP)—Casey Stengel's dislike for Frank Lane, real or fancied, doesn't preclude him from agreeing with the Cleveland general manager on one point.

The New York Yankees, both agree, will run into more trouble this year than they ever encountered before.

Not that Stengel doesn't think his world champions won't repeat. He thinks his club is good enough to bring him his 10th flag in 11 seasons but he does not anticipate anything resembling the runaway of last year.

"We played bad ball during the final two months of the season last year," said Casey, "and we were lucky to have such a big lead. Also we were lucky that none of the other clubs had a sizeable winning streak or that no club but ours has a 20-game winner."

Stengel tabs the Indians and Tigers as the clubs most likely to give the Yankees the most trouble.

"Cleveland has a good new team," he said. "There's nothing wrong with their outfield. They have at least two good infielders."

Featherweight Title on Block On Coast Tonight

By BOB MYERS
Associated Press Sports Writer
LOS ANGELES (AP)—The featherweight championship of the world goes on the block tonight, with Hogan (Kid) Bassey of Nigeria a slight favorite to retain his title in a 15-round fight with America's Davey Moore.

The site is the Olympic Auditorium, the time 7 p.m., Pacific Standard, and fight fans across the nation, barring the Southern California region, can see it over the ABC-TV network.

It is Bassey's second defense of the crown and it certainly should be tougher and more exciting than the first. That was last April when the little tiger from Nigeria belted out Ricardo (Pajarito) Moreno in Los Angeles Wrigley Field in three rounds.

Bassey and his English manager, George Biddles, concede that Moore, the top-ranked contender, poses a threat. Biddles says the hard hitting young man from Springfield, Ohio, is the best Bassey has met in America.

That would include ex-champion Willie Pep, whom he stopped in nine bruising rounds in Boston last September; Carmelo Costa, Ernesto Parra and Miguel Berrios, as well as Moreno.

Moore clinched the title fight by also stopping Moreno—he did it in one round—but his calibre of opponents isn't too impressive.

By the same token, the class of Bassey's vanquished rivals isn't known on this side of the ocean, either.

In any event, Los Angeles fans have seen both in action, and of these performances, tonight's affair should be spectacular.

Scoring will be by a referee and two judges, using the 10-point per round system—10 to the winner nine or less to the loser.

Neither has ever been counted out. Moore has been floored only once; Bassey several times. Bassey has lost twice on cut eyes.

News From Training Camps

By MIKE RATHET
Associated Press Sports Writer

Flushed with success but apprehensive about the quality of their pitching staff, the World Champion New York Yankees today prepared to sit down at the bargaining table.

Subject: Relief specialist Dick Hyde.

Price: Unknown, but expected to include at least a trio of Yankee rookies or benchwarmers.

Hyde, who pitches underhand, compiled a 10-3 won-lost record and a brilliant 1.75 earned run average while saving a host of games for the last-place Senators last year.

Washington owner Calvin Griffith, apparently willing to part with his bullpen ace in order to bolster other areas, has been holding out for a better offer from Yankee General Manager George Weiss.

The Senators defeated Pittsburgh 4-1 Tuesday in one of the three exhibition games played as rain idled most of the clubs for the second day. In other games, Boston beat San Francisco 6-1 and Cleveland thumped Chicago's Cubs 10-5.

Hyde allowed the Pirates' only run but pitched strongly in relief of Chuck Stobbs, who blanked Pittsburgh for the first five innings. Roy Sievers gave Washington all the runs it needed with a two-run homer in the first.

Frank Sullivan, who pitched six innings, and reliever Herb Moford limited the hard-hitting Giants to four hits. Ted Lepcio homered for the Red Sox, who boosted their exhibition record to 8-1, best in both leagues.

Cleveland's 13-hit attack including Woody Held's homer, was too much for the Cubs, who got home runs from Ernie Banks, Lee Walls and Bobby Thomson. Five runs in the last two innings won it for the Indians.

West Middlesex Wins Over Gallatin 66-56

KITTANNING, Pa. (AP)—West Middlesex will tangle with Kutztown Friday night at New Wilmington for the PIAA Class B basketball championship.

West Middlesex qualified for the state finals Tuesday night by edging Gallatin 66-56 in a western region final at Kittanning.

After a nip-and-tuck first half, West Middlesex threw a full court press against the Gremlins. The strategy turned the tide as West Middlesex poured in 26 points to only nine for Gallatin during the period.

St. George of Pittsburgh walked off Kittanning St. John 63-43 at Kittanning, to clinch the PIAA Class B western region title. The winners advanced to the state final against St. Pius of Pottstown.

St. George jumped off to an early 8-0 lead and was never headed. St. George's Bob Lawry took game scoring honors with 23 points.

Dallas Fans Come To Aid of Class A Team

DALLAS, Tex. (AP)—Dallas, which makes it start in Class AAA baseball this season as a member of the American Assn., has already sold more than \$100,000 worth of season tickets for box and reserve seats. This is a record for this city which long has been a member of the Class AA Texas League.

To boost attendance the club also plans special nights when a fellow and his date or a whole family will be admitted for the price of one ticket, booster nights and music by top college bands.

Mazeroski Praised By Senator Manager

FORT MYERS, Fla. (AP)—Billy Mazeroski's reputation as the finest second baseman in the National League, if not in baseball today, has spread to the American League.

Cookie Lavagetto, manager of the Washington Senators, watched the smooth-fielding 22-year-old Pittsburgh Pirate infielder working out before a game between the clubs Tuesday.

Mazeroski, Lavagetto said, "plays the infield like I tell my infielders how to play it but they never do."

A bill to revise Game Code of 1937, citing principal changes this bill would: Require Game Commission to meet in June or July; deny hunting rights for as long a period as determine to a second or subsequent offender; increase fine for failure to sign hunting license; increase fines for special permits, such as taxidermy, fur dealers, regulated shooting grounds, etc.; fix same season for all regulated shooting grounds; restore power to Commission to declare an archery season on deer each year.

Also included: Increase fine for illegal taking of wild waterfowl; require all magazine shotguns to be plugged to 3-shell capacity when hunting bird, animal or big game; provide fines for failure to report killing of game destroying property; unlawful to shoot at any wild birds or animal on highways, and other.

Nimrods Enjoy Good Year in Pennsylvania

Hunters enjoyed a very satisfactory big game season in Keystone State during 1958. Small game hunting results, last year, were far too good as seasons go.

Small game success varied, species to species. Rainy, cold spring hurt the game bird crop especially; and cottontail rabbits were not generally numerous. Hunters had difficulty in locating wild turkeys because birds were widely dispersed, natural foods being available in quantities over their best range.

Following is a list containing kind of game and estimated number killed in 1958:

Cottontail rabbits 1,305,031.
Hares 1,277.
Squirrels 656,525.
Raccoons 111,105.
Turkeys 13,005.

Red Wings Star Plays 508 Consecutive Games

DETROIT (AP)—Johnny Wilson bears no resemblance to the roughest, fastest sport of all.

He's blond, wears a crewcut and is slender, almost fragile looking.

Yet Tuesday night Wilson equalled a record of durability set 22 years before as his Detroit Red Wings kept their dim Stanley Cup playoff hopes alive, blanking the Chicago Black Hawks 2-0.

Wilson played in his 508th consecutive National Hockey League game.

Wilson gets his chance to break the record he now shares with Murry Murdoch Saturday against the New York Rangers, Murdoch's old team. Murdoch played in every Ranger game from 1926-27 through 1936-37.

Detroit victory in Tuesday night's only NHL game lifted the Wings to within four points of the fourth-place New York Rangers in the fight for the final playoff berth. The Red Wings have two games left.

Russell Drops One To North Warren

Holding Russell scoreless in the second quarter, North Warren went on to register another Gra-Y top victory in YMCA.

Russell went down to defeat with a one-sided score of 39-14.

While North Warren held their opponents scoreless, they went on to dump in 12 points, leading 15-8 at hte half. Sinking 13 points over Russell in third canto, pushed North Warren into a comfortable lead.

Larry Loomis took individual scoring honors with 15 points, while A. Andersen sank 8. Porter and Rogers each found the hoop for 6, while J. Gray and J. Mintzer had 2 points apiece.

Peterson was high man of the three Russell scorers with 6, Briggs and Malley sinking the other eight points with 4 each.

EIGHT PENN ENTER NCAA GYM TEST

Eight members of Penn State's unbeaten gymnastics team will compete in National Intercollegiate championships this weekend at Berkeley, Calif.

Coach Gene Wettstone has named Armando Vega, Lee Cunningham, Jay Werner and Lou Savadove, as his all-around performers. Don Littlewood will head a trio of rope climbers, including Vince Neuhauser and John Hiding. Dave Duvalney, tumbling, completes the team.

Badly Cut Pender Defeats Subbing Rugged Tig Jones

BOSTON (AP) — Clever Paul Pender, the fireman on sabbatical leave for one last comeback attempt, looked ahead to a bout with Gene Fullmer today in hopes of a short cut to a crack at the mid-weight title.

The 28-year-old Pender vaulted into ring prominence and proved his once-brittle hands no longer are tender Thursday night by decisively outpointing rugged Ralph (Tiger) Jones in a 10-rounder at the Boston Garden.

"Now we'll sit back and wait for Fullmer's bad hand to heal," said Pender's board of strategy headed by co-promoters Johnny Buckley and Sam Silverman.

Fullmer, the former middle-weight champion now rated the No. 2 contender, had to withdraw from the scheduled St. Patrick's Day meeting with Pender after suffering a hand bone fracture last night in a fight.

Jones, rated the No. 5 contender by Ring and No. 9 by the NBA after victories over Joey Giardello and Rory Calhoun, accepted \$7,500 to replace Fullmer. He took a boxing lesson for his money.

Pender let an educated left hand do the job for him against the durable, free-swinging veteran from Yonkers, N.Y.

Champion Miller Cancels Cleveland Appearance

HOLLYWOOD, Fla. (AP)—Ron Delany, the speedy scholar from Ireland, will hit the books and not the boards of Friday's indoor track meet at Cleveland.

The champion miler's cancellation drew angry protest from the meet sponsors but got support from an Amateur Athletic Union official.

Either way, Delany said Tuesday night he is sticking by his withdrawal from the Cleveland K. of C. meet because of "study commitments."

"I definitely will not run," said the lean, ascetic-looking Villanova student.

The Cleveland K. of C. had centered its meet around the mile, in which Delany was given a chance to break four minutes for the first time indoors. He set a 4:01.4 world record this month in New York and has broken four minutes three times outdoors.

Cinderella Team Pulls Upset By Beating St. Louis

By TED MEIER

Associated Press Sports Writer
NEW YORK (AP)—"It's unbelievable. It's unbelievable."

That's what Coach Joe Mulaney of Providence College kept shouting Tuesday night after his "Cinderella" team beat second-seeded St. Louis 75-72 in double overtime to reach the semifinals of the National Invitational Tournament.

New York University also advanced to Thursday's semifinals, with an easy 63-48 victory over Oklahoma City. This second game of the basketball doubleheader at Madison Square Garden was strictly an anticlimax to the crowd of 14,269.

Providence, which upset Manhattan 68-66 last Saturday in the last six seconds of play, now is pitted against St. John's of New York while NYU goes against top-seeded Bradley.

Oklahoma City made only one threat in the second game. NYU took an 11-2 lead, but the Chiefs pulled up to 28-26 just before the end of the half. The Violets quickly opened an 11-point lead in the second half and were never headed.

There is only one stream of running water in all of the Bahama Islands, according to Encyclopedia Britannica.

Syracuse Nats Meet Celtics in Boston Tonight

By THE ASSOCIATED PRESS

The pesky Syracuse Nationals meet the Celtics in Boston tonight in the first game of the playoffs for the National Basketball Assn.'s Eastern division title while the Detroit Pistons and Minneapolis Lakers have some unfinished business in the West.

With the best-of-three series tied at 1-all, the Pistons-Lakers clash at Minneapolis will decide who meets the St. Louis Hawks in the Western division finals. The first game will be played Saturday night in St. Louis.

Syracuse, which finished third in the regular season race, knocked the second-place New York Knickerbockers out of their best-of-three series in two straight games. The Nats beat the Knicks in New York 129-123 and 131-115 at Syracuse.

The second of the best-of-seven series will be played in Syracuse on Saturday and the teams return to Boston Sunday afternoon.

An afternoon work bee followed lunch served by the hostess, and Audrey Duntley gave a talk on spring wardrobes and other clothing. Present were Mrs. Wayne Ruth, Mrs. Nelson Crooks, Mrs. Hazel Benton, Mrs. GlenDine LaDow, Mrs. Wilma Black, Mrs. Verna Learn, Mrs. Margaret Ruth, Mrs. Helen Foogde and children, and Mrs. Paul Duntley.

An excellent turnout of local and out of town persons was present for the ham supper served in the fire hall Saturday evening by the Firemen's Auxiliary. The group is grateful, not only for the fine attendance but to all who helped in any way to make the event a success.

The official board meeting of the Methodist church was held Sunday morning in the church parlors, when numerous items pertaining to parish activities were discussed.

Since Warren Borough recently adopted daylight saving time from the last Sunday in April to the last Sunday in October, it is anticipated Corydon community will follow suit.

Mrs. Fred Hammond is a patient in WCA Hospital in Jamestown, going there Monday afternoon.

Caroline Davis, Bradford High School student, attended a club meeting in Bradford Saturday.

Mr. and Mrs. Merle English have returned from Warren, where they spent the weekend with Mr. and Mrs. Clarence Gould. This weekend, they plan to attend the birthday observance of her brother, LeRoy Peterson, in Warren.

Mrs. L. J. Learn and daughter, Mrs. Edna Tome, were rechildren are visiting her parent's Jamestown visitors.

Mrs. Richard Foogde and sons, Mr. and Mrs. Charles Ruth, Sr.

Billy Tompkins has returned to Lewis Run after a weekend stay.

Bobby Whyte, Kinzua, spent the weekend with Mr. and Mrs. Charles Whyte and his brother, Jimmy.

Religion in the News

By TOM HENSHAW

A PReligious Writer

NEW YORK (AP) — The missionary had spent many months among the Meo people of Indo-China, trying to interpret the scriptures to them in their own language. But he had yet to find the word or phrase that adequately described the key Christian concept of salvation.

True, he knew the word "pang" meant to save and, for want of a better one, he had been using it. But, "pang" was a fairly common Meo word that somehow failed to put across the deeper meanings of salvation.

Then one day a Meo woman fell from a bridge into a swollen stream. The missionary, jumped

in and pulled her out.

"Ah," said a watching Meo.

"You 'tse' her."

"You mean I 'pang' her, don't you?" asked the missionary.

"Oh, no," said the Meo. "You 'tse' her. That means you saved her by putting yourself in the same danger."

"What better way is there of describing how Jesus died to save mankind?" says Dr. Eugene A. Nida, secretary for translation of the American Bible Society. "Just that one word made a big difference in attitude of the Meo people toward Christianity."

The Meo missionary is only one of many devoted workers around the world engaged in the immensely difficult task of translating and interpreting the scriptures in obscure languages.

"One might think that the more primitive the people, the simpler their language would be," says Dr. Nida. "That is not true."

"For instance, the Nuer language, spoken in the Sudan, has 14 distinct basic vowel sounds. One of the most difficult jobs that confront translators is that of entering a language area cold. Where do you start? Dr. Nida explains:

"Pay close attention to the first words they say to you. Chances are those words are a greeting. But be careful. There may be separate greetings for men and women, or even for older men or married women."

"Get them to examine your equipment and talk about it. Pret-

Spring's Arriving At Municipal Building

Spring cleaning in basement of Municipal Building in recent days has equipment and rooms looking in fine shape.

A room under the Borough Police department in the basement is having finishing touches put to it in preparation for the occupation by Borough Civil Defense Police.

Walls are painted white, the floor, which was still drying today, red. All equipment of the auxiliary police will be housed there.

Playground equipment has been colorfully painted by Park Department. Not all the play gear has been restored to the rainbow colors for summer use.

Plans have been mentioned for possible painting of police's shooting range, also in the basement. Acoustical sound ceiling may be installed.

The charming young lady, during a three year membership in Future Homemakers of America, served as local president and earned a junior chapter and state degree in F.H.A., as well as winning first prize in a state essay contest. Elected to office of state F.H.A. president, Miss Wyman appeared on television to present a gift to the Governor's wife. As a result of attending state and national conventions and regional meetings, where she presented speeches, Gail will undoubtedly be much in demand upon returning from her Austrian tour. Other talks were given on home economics at county banquets and before representatives from the International Congress.

Elected to the National Honor Society, Gail has been accepted at Indiana State Teachers College, but plans to wait until 1960-61 before entering. She will work next year and then resume her education. Miss Wyman is also a member of the Future Teachers of America and served as circulation manager of the high school "Dragon" business board.

The selection committee and Warren Javvics are to be congratulated for providing Warren with another outstanding student to represent us abroad.

Elks Elect New Officers for Year

DR. JOHN LARSON —McIntosh Studio

Dr. John W. Larson, above, was chosen exalted ruler of Warren Lodge No. 223, B. P. O. Elks, at the annual election held last evening with a large number in attendance. He will succeed Dean A. Anderson at the installation which is expected to take place at the next meeting with officers of Kane Lodge in charge of the ceremony.

Other new officers are as follows: Leading knight, G. Weston Ensworth; loyal knight, S. G. Nelson, lecturing knight, Jack Katon; secretary, R. L. Ruhlman; treasurer, Claude Schindler; tiler, Frank J. Mason; trustee, Glenn Groesch, delegates to state convention, Messrs. Ensworth, Nelson and H. J. Harvey; delegate to national convention, Dr. Larson, with C. T. Berdine as alternate.

Following the session the usual social time with lunch was enjoyed.

looked with sympathy on Ireland's struggle for freedom.

O'Kelly said Ireland still faces "the great and challenging problem of partition," with six Northern counties loyal to Britain.

His appearance before Congress carried forward a round of activities which started with his St. Patrick's Day arrival.

He heamed his way, flashing Irish charm and wit, through a busy day. It included somber ceremonies like laying a wreath at the Tomb of the Unknowns and a reception by capital newsmen and a dinner at the White House with the Eisenhowers.

O'Kelly and his wife will leave Washington Thursday afternoon for New York City, New England, the Midwest and East before returning to Ireland March 31.

Three Days: Robins, Roller Skates, Spring

With just three days left officially, not necessarily climatically, in the long, hard winter, continued sunny and warm is forecast for Thursday.

Heavy snow flurries late Tuesday afternoon and evening, dumped (once again) a cover over the hopes of residents for a break in the weather. The squalls quickly piled up about six inches of new snow, which disappeared generally early today.

Warm sun today makes an earnest effort to melt away the last trace of winter and make room for robins, violets and spring gardeners.

One of the Last Old-Time Train Robbers Is Dead

DENVER, Colo. (AP)—Bill LaTrasse, 77, one of the last of the old-time train robbers, is dead.

After spending more than half his life in prison, LaTrasse died a free man.

Released from the Kansas Penitentiary last Dec. 30, LaTrasse came to Denver to live with a sister, Mrs. Edna Shelton. Ten days ago he entered a hospital. A kidney ailment took his life.

LaTrasse made his reputation on Christmas night, 1910, when he held up a Missouri Pacific train between Kansas City and Leavenworth, Kan. He pushed a frightened porter ahead of him through the cars and robbed the passengers of \$2,000.

Captured and sent to the Kansas prison, he escaped in 1915. Then followed a Chicago robbery, a battlefield wound in World War I, another arrest and the completion of his prison term.

LaTrasse made an effort to go straight and opened a shoe repair business in Kansas City. But the experiment ended with a holdup of a gambling game and he went to the Missouri prison. Released, he went back to the Kansas prison after two men were shot in a hold-up of a dice game at Parsons, Kan., in 1942. This time it was for life.

LaTrasse escaped again, but he soon was caught, a sick and broken old man.

But Lane contended: "So far, I don't see where anybody has evidence that substantial savings can be developed. This budget is already down to the bone and I don't think anybody will find any way to make substantial cuts with any justice."

The statements came after officials of the state Civil Defense Council, Parole Board and School Building Authority outlined fiscal needs for the new biennium starting June 1.

employment Compensation Fund.

Sen. Edward J. Kessler (R-Lancaster) said such a study should include whether money is paid out unnecessarily because of what he described as loopholes allowing payments to pregnant women, students and persons who retire.

The fund, once more than 600 million dollars, is now down to 80 million and is expected to fall to 30 million by April 30.

Transportation — A package of bills reached the Senate to give a tax break to local bus firms in Pennsylvania, 40 per cent of which, said Sen. George N. Wade (Cumberland), were operating in the red.

Under the plan, bus companies operating in one county or adjacent counties would be exempt from paying any of the 14 mill gross receipts tax on public utilities, the five-cent-a-gallon gasoline tax and bus license fees.

Korean bonus—The House Appropriations Committee approved a plan to sell 150 million dollars in bonds to finance the bonus of up to \$500 for each of the Pennsylvania veterans of the Korean War.

A cent-a-pack increase in the four-cent cigarette tax is already in a position for action. The governor has asked for the boost, intended to rise 25 million dollars every two years to finance the bonus.

Budget—A Senate appropriations subcommittee found disension among its members on whether its efforts to pare the budget will be successful.

Two Brothers Want To Talk About Convention

NEW YORK (AP)—Two brothers have sent word through their lawyer that they want to talk their way out of jail by testifying before the State Investigation Commission about the Apalachin, N. Y., gangland convention.

The sudden switch was announced by the lawyer for Frank Valenti, 36, and Cosencze Valenti, 32, both of Rochester, N. Y.

The Valenti brothers and five other men have been in jail here since last August for clammoring up when called as witnesses before the commission.

All seven are listed by authorities among the 60-odd underworld figures and associates who attended the meeting Nov. 14, 1957. They were given indefinite jail terms for contempt. The plan has been to keep them in jail until they answer questions.

estimated at \$350 to the Davis car, a complete loss, and \$40 to the truck.

State Police at the local substation reported two sideswiping mishaps which they investigated Tuesday.

At 4:30 p. m. on Sherwood Refinery road, an auto driven by Joan Brown, 17, of Warren, went off on the berm. Police reported that Miss Brown became excited and cut her car back on the road suddenly, striking another auto driven by Ruth Cataldo, 21, of Kinzua.

A total of \$200 damages was estimated with no injuries.

A minor incident occurred on Route 6 near Sheffield about 9 p. m. last evening. Of sideswiping nature, a mirror on a tractor-trailer truck was knocked off by another truck. Drivers of the two rigs were Dave McElroy, Cleveland, Ohio, and Bertram Benson, of Jamestown. The damage is said to amount to about \$5.

Truman Turns Down Job on a Newspaper

BOSTON (AP)—Former President Harry Truman has turned down an offer to be a newspaper editor for a day.

The job was offered him by the Boston Globe after Truman told the University of Missouri School of Journalism that he wished he could be a newspaper editor for a while.

The Globe said it received a letter from Truman Tuesday in which he refused the offer, and said: "You see, the difference between your profession and mine is that the editors know all about how another man's business ought to be run, while I do not pretend to know the mechanics of yours."

Eighth Catholic Bishop Installed at Pittsburgh

PITTSBURGH (AP)—Colorful, ages-old ceremonies today mark the formal installation of the Most Rev. John J. Wright as the eighth bishop of the Roman Catholic Diocese of Pittsburgh.

The 49-year-old prelate is the new spiritual leader of more than 800,000 Catholics in southwestern Pennsylvania, succeeding Archbishop John F. Dearden of Detroit.

Bishop Wright, who served nine years as the first bishop of Worcester, Mass., officially assumed the reins of the diocese upon his arrival in Pittsburgh Tuesday.

Boy Who Says He Killed Mother To Be Studied

PITTSBURGH (AP)—A 10-year old boy who, authorities say, admitted slaying his mother with a hatchet, will undergo two or three months of psychiatric study.

Allegheny County Judge John T. Duff ordered Charles Zubryd released to his uncle Michael Zubryd of nearby Irwin R.D. 3, Tuesday pending the outcome of the study.

Boy Who Says He Killed Mother To Be Studied

The judge's action came after Atty. Louis C. Glasco, representing Zubryd, argued that no charges had been filed.

Dist. Atty. Edward C. Boyle said young Zubryd admitted to the hatchet-slaying of his 41-year-old mother, Mrs. Helen Zubryd, in the basement of their Sewickley Twp. home Nov. 20, 1956.

Meadville Brake Shoe Plant Plans Furlough

MEADVILLE, Pa. (AP)—American Brake Shoe Co. says it will furlough about 50 per cent of its 300 employees at its plant here within the next 90 days.

A company spokesman said Tuesday the number of products manufactured will be reduced, adding:

"We plan to consolidate certain types of products at other locations to achieve the most efficient use of available manufacturing facilities."

Advice on Planned Parenthood Ruled Out

HARRISBURG (AP)—Aud. Gen. Charles C. Smith held today it would be unconstitutional for case workers to volunteer birth control information to persons on relief.

"I don't think it's constitutional for a public employee to interfere in an area which is entirely a private matter," said Smith in commenting on a controversial resolution passed by the state Public Assistance Board last December.

The resolution would permit case workers in the Public Welfare Department to volunteer information on birth control to relief recipients. Under a 1947 regulation, case workers can refer persons on relief to birth control clinics only if a specific inquiry is made on the subject.

House Bill Proposes To Legalize Bingo

HARRISBURG (AP) — Bingo games would be legalized in Pennsylvania on a local option basis under legislation in the House today.

Reps. John J. Murray and George E. Jenkins, Allegheny County Democrats, and Thomas H. W. Jones (R-Montgomery) sponsored the measure which would apply to veterans, charitable and religious organizations.

Local authorities would be allowed to issue bingo licenses to such organizations with a provision that no games would be held on Sunday.

Woman Is Stabbed To Death in Pittsburgh

PITTSBURGH, Pa. (AP)—Verna Bagran, about 55, wife of a garment firm president, was found stabbed to death today in her home in the exclusive Squirrel Hill residential section.

Police said a paring knife protruded from her throat. She was found at the foot of steps leading to the family garage.

Police went to the residence after an unidentified woman friend of Mrs. Bagran reported no had answered the telephone for several days. Officers forced a door to gain entrance.

Mrs. Bagran's husband, Louis, is president of the Nathan G. Bagran Co., a women's clothing firm.

Bagran was reported in New York City on a business trip.

Graham Arrives at Queensland for Rest

BROADBEACH, Australia (AP)—Billy Graham arrived at this Queensland Gold Coast resort today for a 10-day rest after a 29-day revival in Melbourne and a two-day stand in Tasmania.

After his holiday he will hold meetings in New Zealand. He looked fit as he stepped from his plane to the applause of hundreds of autograph seekers.

Graham will be joined over the weekend by Dr. William Erdman of the University of Pennsylvania, an old friend who is also a circulatory specialist. Erdman is flying from the United States.

The evangelist explained that he is still suffering from a blood vessel spasm behind his left eye which is causing him to lose focus. He said Erdman would examine him and would stay over for some of his meetings when his crusade resumes.

Prosecutor Says Mrs. Duncan's Past Lurid

VENTURA, Calif. (AP) — A prosecutor seeking the death penalty for Elizabeth Duncan says a lurid past is one of the reasons she deserves no mercy.

Dist. Atty. Roy Gustafson told a jury Tuesday that Mrs. Duncan's hiring of two men to strangle her son's wife was preceded by 11 marriages and that she once operated a house of ill fame.

The jury, which convicted her Monday of arranging the murder of Olga Duncan, 30, last November, now has the task of deciding her penalty—death or life imprisonment.

Regardless of what punishment the jury decrees, it won't take effect until Mrs. Duncan's secondary plea—innocent by reason of insanity—is decided.

Referendum for Conewango Raises Legal Problem

A petition left at the Warren county commissioners office for a local liquor option referendum for Conewango township to appear on the ballot at the May 19 primary has produced a legal problem which to date has not been decided. Question arises as to whether or not the petition can properly be filed in that it was placed in the hands of the commissioners after 5:00 p. m. Monday, March 16, advertised as deadline for filing.

Legal background indicates that the original election code which specified filing to be completed 60 days prior to primary election was at one time amended to read 64 days prior to. However State legislation reverted to the 60 day time clause later and since then the original clause was never deleted.

In other such cases it has been fairly customary that the court opine to permit the electorate to vote on the issue if it so petitions. Some years ago similar circumstances arose in Eldred and Corydon townships with the late Judge Allison D. Wade deciding that the referendum be placed on the ballot.

Bulletins

MIAMI, Fla. (AP)—Police say it may be impossible to determine the total loot in hundreds of office building thefts to which a white-haired matron has confessed.

Interest exempt, in the opinion of counsel, under present statutes and decisions, from present Federal Income Taxes and under the Municipality Authorities Act, as amended, the Bonds, their transfer and the income therefrom (including any profits made on the sale thereof) are free from taxation within the Commonwealth of Pennsylvania; but this exemption does not extend to gift, succession or inheritance taxes or any other taxes not levied directly on the Bonds or the income therefrom within said Commonwealth.

These bonds, secured by the full faith and credit of the Authority, are payable solely from the pledge of revenues of the Authority. Such revenues will be derived from a Lease identical in life to that of the bond issue, entered into between the Authority, the School Districts of the Boroughs of Claredon and Warren, and the School Districts of the Townships of Conewango, Elk, Glade, Kinzua, Mead, Pleasant, and Watson, all in Warren County, and the Warren Area Joint School Board. Neither the credit nor the taxing power of any of these municipalities, or of the Commonwealth of Pennsylvania, is pledged to pay the principal of or the interest on the bonds.

These bonds are offered when, as and if issued and received by us, and subject to approval as to legality by Messrs. Burghwin, Ruffin, Perry & Pohl, Pittsburgh, Pennsylvania. It is expected delivery of the Bonds will be made in definitive form on or about April 20, 1959.

Library Annual At Youngsville

YOUNGVILLE—The annual Library Association meeting was held in the library, with 11 present. Mary Gettings presided, and reported on activities of the year:

One hundred state library books received; two books on Warren county history were bound; a new librarian's chair was given by Mrs. L. C. Pollard from a fund given by neighbors and friends for a gift in memory of L. C. Pollard; the Martin Plan for County Library was endorsed; trees and shrubs on the property were removed; a storm door added, other door changed to open out to meet state requirements; white wood trim on the building was painted; memorial plates and posters were ordered.

Girl Scout story hour was sponsored; a tea was held in June for Mrs. Flora McDowell, who was resigning from the board; books were audited by Mrs. Flora McDowell and Mrs. Maye Hooven; a list of memorial books was approved and will be ordered.

Resolutions of respect for Mrs. Nellie Anderson, charter member, are to be placed in the minutes; also, Edolph Johnson will see about a memorial display case to be given by the Library Association in memory of Mrs. Anderson; Lewis Crippen reported the State Library has promised to send a state librarian to Warren each month to meet with three members of Warren Public Library Board; three members of the Warren County Library Board and County Commissioners if the county is selected for demonstration center.

Last year's officers reelected were: Mrs. Mary Gettings, president; Mrs. Mayola Sanford, vice president; Mrs. Alice Smith, secretary; Mrs. Edolph Johnson, treasurer; Mrs. Ada Pollard, corresponding secretary. Mrs. Pollard was elected to a five year term on the library board to succeed Lewis Crippen, who resigned. Mrs. Mary Gettings was authorized to attend a Governor's Conference for public library trustees on March 23, in Harrisburg.

Red Cross Life Saving Class

Photo of the above group was taken shortly before they entered YMCA pool to take their Red Cross Life Saving test recently. This was the second group to take the test. SUGAR GROVE

SUGAR GROVE—Mrs. Genevieve Allen has been confined to her home for several months by illness.

Margaret Smith, Chautauque, was a Saturday guest of Flossie Broughton and other friends.

Mrs. C. L. Eckdahl, Mr. and Mrs. Scott Stuart, Jr., and daughter, Christine, attended a family dinner party Sunday at the home of Mr. and Mrs. Willard Eckdahl at Chandlers Valley.

The party honored Earl Eckdahl, member of the Naval Reserves, who is leaving for active duty.

Mr. and Mrs. Gordon Windsor, Erie, were Sunday guests of Mr. and Mrs. F. A. Schoonover. Mrs. Harry Harde, Port Allegany, is also a guest at the Schoonover home.

Mr. and Mrs. John Stuart were honored at an anniversary dinner at the home of their son, John Stuart, Jr., on the Wellman road.

YOUNGVILLE

YOUNGVILLE—A group of local citizens held a meeting at the home of Charles Seekings to discuss ways and means of getting additional information on fluoridation before the public and to make plans for holding future meetings to which interested persons will be invited.

Dr. Clayton Junker, of the Pennsylvania Department of Health, and John A. Bacharach, were present to help make plans and instruct the group.

BIG DIFFERENCE

SO MUCH THE SAME IN PRICE . . . SO DIFFERENT ON THE ROAD

BIG DIFFERENCE IN STYLE

Plymouth's clean, progressive styling spells glamour and "go" without showiness. From massive new grille to optional new rear Sport Deck, Plymouth is tastefully designed with a modern, luxury look. You won't find such elegance elsewhere in the low-price field.

BIG DIFFERENCE IN RIDE AND PERFORMANCE

No other low-price car can match Plymouth's Torsion-Aire Ride . . . yours at no extra cost. You enjoy handling ease with no roll or sway on turns, no front-end dive on stops. Thrill to V-8 power, including optional New Golden Commando 395 . . . largest engine in its field.

BIG DIFFERENCE IN ECONOMY

Plymouth won the Mobilgas Economy Run in the low-price class two years in a row. And only Plymouth offers a Fuel-Saver Choke and new 3-stage carburetor for maximum gas economy. What's more, all standard Plymouth V-8 and 6 engines perform at peak efficiency on regular gas.

BUT...YOU DON'T PAY FOR THE DIFFERENCE

Come in and ask any salesman, to compare any Plymouth model with comparable models of the other two top-selling low-price cars. He'll prove that all cars in Plymouth's field cost just about the same . . . but only Plymouth gives you the Big Difference for your money!
